

LEVELED BOOK • D

# Greater Than

Written by Racheal Rice • Illustrated by Debra Pehrson Haun

Many vegetables grow in the garden.  
Compare the numbers to find which  
one is greater.

There are two beets.

There are five carrots.

Five is greater than two.

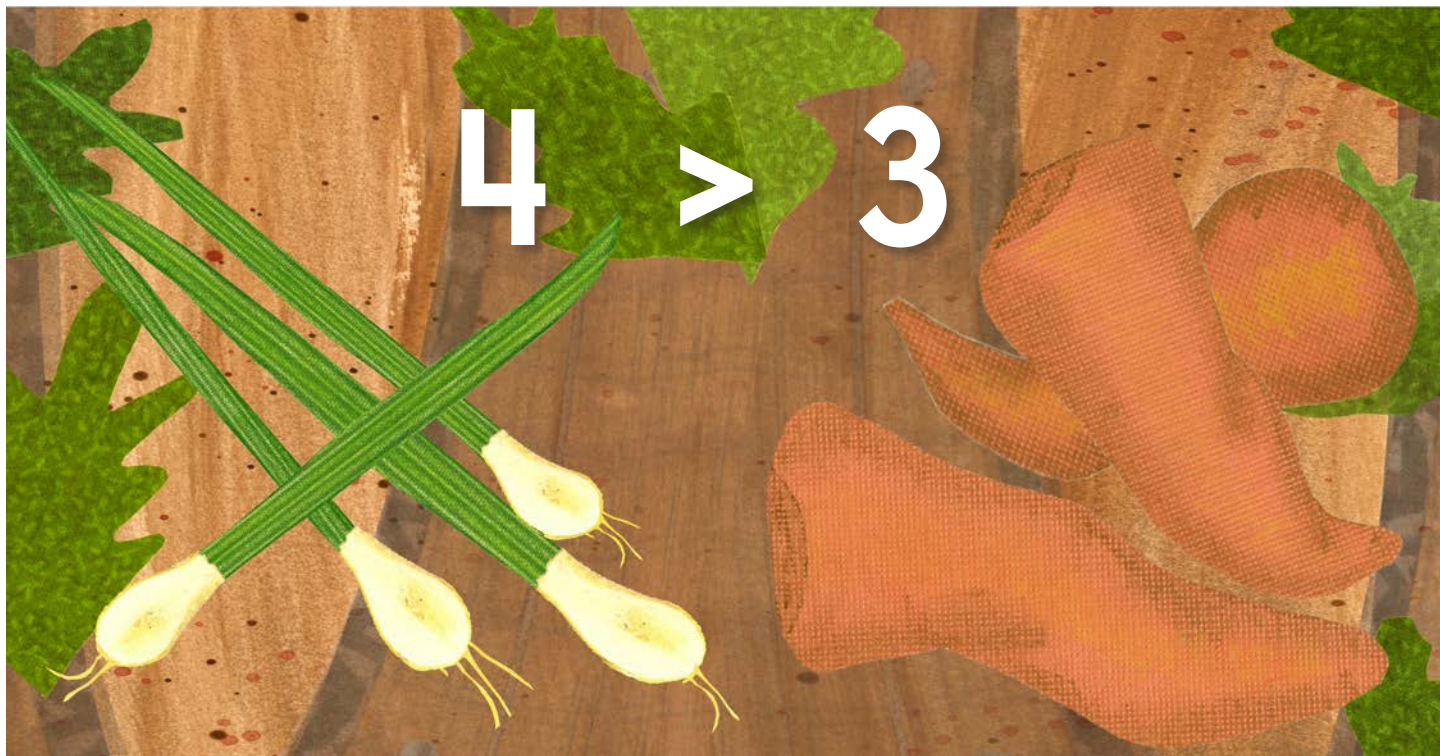

There are three yams.

There are four onions.

Four is greater than three.

There are six beans.

There is one pepper.

# Greater Than

*A Reading A-Z Level D Leveled Book • Word Count: 66 • Book 57*

## Connections

### Writing and Art

Draw two plates of vegetables with a different number of vegetables on each plate. Write a sentence about which plate has a greater number of vegetables.

### Math

Write two numbers. Have a partner draw the greater-than symbol to compare the numbers. Check your partner's work.
