

A full-page background image of the Tower Bridge in London at sunset. The bridge's two massive stone towers are illuminated with warm lights, and the suspension cables are visible against the sky. The sky is a mix of blue, orange, and yellow, with scattered clouds. The bridge spans the River Thames, and the city lights are visible in the background.

## Connections

### Writing and Art

Design your own bridge to go across a body of water. Draw it and write about the details of your bridge.

### Math

Count the bridges in this book. Sort the bridges into groups based on their color, size, what they are made of, and so on.
