Bats Day and Night

Written by Becca Hughes

www.readinga-z.com

The Sun comes up.
The bats are returning
to the cave.

It is morning.
The bats are hanging
upside down.

It is morning.
The bats are sleeping.

It is afternoon.
The bats are waking up.

It is afternoon.
The bats are moving
around.

It is evening.
The bats are leaving
the cave.

It is night.
The bats are hunting
for bugs.

The Sun comes up.
The bats are returning
to the cave.
