# Different Kinds of Sharks

A large school of sharks, including hammerheads and reef sharks, swims in a circular pattern against a dark blue background. The sharks are silhouetted against the lighter blue water, creating a sense of depth and movement.

Hammerhead shark

Mako shark

There are many different kinds of sharks.

A whale shark  
is very big.

A tiger shark  
has light stripes.

A zebra shark  
has dark spots.

A blue shark  
is very fast.

An angel shark  
has wide fins.

A great white shark  
has sharp teeth.

All sharks live  
in water.
