# How Many Wheels?

Written by Jerry Hopkins

# How Many Wheels?

Written by Jerry Hopkins

[www.readinga-z.com](http://www.readinga-z.com)

Many things have wheels.  
Wheels help things move.

Some things have one wheel.

Some things have two wheels.

Some things have three wheels.

Some things have four wheels.

Some things have many wheels.

These things have many wheels, too.

Some things have no wheels.  
How do these things move?
